

VD ATOMISER BIKE

Industrial processing devices

PRODUCT DESCRIPTION: particularly robust pump sprayer with chemically resistant and mechanically robust Viton Seal for aqueous and waxy liquids and for oils with low viscosity (not suitable for acids).

Specially suited to: **Ultra-Clean, Clean SR-500, Xtreme Cleaner**

BENEFITS:

- Robust container (capacity 1.0 l)
- Powerful pump with 12 bar piston pressure
- Ergonomically designed handle
- clear scaling per 100 ml
- Special nozzle with spiral insert (without spiral insert produces a jet)
- Large filler opening
- Grip recesses on sides
- entire pump can be disassembled (spare parts service)
